

Copper Mountain School Community Council  
February 9, 2017 6:30 pm  
Copper Mountain Media Center

Attendees: Allison Arsenault, Cody Curtis, Connie Bailey, Mike Christensen, Dane Henderson, Amanda Parker, Ami Swallow, Sarah Scherbel, Riann Koldewyn, Kathy Davies, Julie Williams, Katherine Harbough. Liz Erickson, Megan Stone, and Paul Feyereisen.

Agenda

1. Welcome– Review of Minutes
  - a. Julie Williams welcomed the council member and guests.
  - b. Correction to name spelling, changed to Kathy Davies from Kathy Davis. Corrected and voted on. Approved by members.
  - c. Introductions of new members
  - d. Review of meeting minutes.
    - i. MOTION: Julie motions to approve minutes from November 11, 2016. Voting was unanimous.
2. 2nd QTR Data Review / Celebrations
  - I. Tutoring Program- Promoting it more with parents and students. Shared ideas to increase numbers. Clarification that it is available on a drop-in basis on Tuesday and Thursday from 3:00 to 4:00 p.m. Students are going to their teacher for help first, not going to the assigned tutor teacher. It is posted who the teacher is doing tutoring.
  - II. Attendance- Average daily attendance first quarter was 95%. Second quarter improved to 97%. Increase in tardiness. Teacher driven intervention. Unexcused check-ins are on the rise. We are trying to address this.
  - III. Make-up Credit- Working with counselors and teachers to decrease the number of deficient credits of 9<sup>th</sup> grade students. Packets in place for all core subjects for first quarter. Free remediation/recovery packet to earn credit. Program is in place now. Need students to take advantage of it. It requires 4 hours of time after school with the student working with the teacher.
    - a. Suggestion- Suggestion of implementing something similar to the MAP period at Herriman high school. We have Colt Corral time for remediation at CMMS.
    - b. Question- What is the process for teachers who are calling students to remediation to identify the students?
    - c. Answer- Students are identified by whether they meet mastery, not just if they have a failing grade, and then are called to remediation with the teacher. Students go to the classes they are supposed to get help to get up to mastery.
3. Trustland Update / Suggestions
  - I. Salaries are for tutoring and teacher planning days. Mentor observations as well. Solutions Tree conference is coming up in the Spring and money will be spent to

send teachers.

- II. Equipment money was spent on Chrome Books. Created two new portable labs. Plans for more technology. iPads and updating the computer labs.
- III. Cell Tower money can be used for additional teacher aids, looking at several options.
  - a. Question- Do we have mac book labs or just chrome books labs?
  - b. Suggestion- It is needed to have computers that work with the Chinese language characters.
  - c. Answer- We are using the labs in the media center to accommodate the language testing. The computers there are working for the language.
- IV. Concern about ways to use space, including labs as classrooms. Planning for growth, anticipating how to use the money with more teachers.
- V. We will be approving the Trustland budget during our next meeting on March 29<sup>th</sup> during community council.
  - a. Question- Are there suggestions on how to use the money?
  - b. Information Shared- Surveys from the legislature asking for feedback.
  - c. Suggestion- Advocate for local control of Trustland funding.

#### 4. SNAP Plan Approval

- I. Safe walking route was shared.
  - a. Question- What has been updated in the walking route map?
  - b. Answer- Cautions are added. Using the sidewalks. Extra caution in using the sidewalks to across Mountain View Corridor.
- II. Instructions for students living in Anthem Park subdivision was added because it was newly built subdivision.
- III. Issues and concerns we can address with the city and the district.
  - 1) High volume of traffic
  - 2) Commercial businesses being built so it adds volume of traffic.
  - 3) The new elementary school will also add traffic.
  - 4) Concern about the speed limit of 40 mph.
  - 5) Crossing guard issue. Some cities do have a crossing guard, but the city has to budget it.
    - i. Update- Cody met with the officials from the city to put a hawk signal in the crosswalk. It is in the agenda. Unsure of when it could be implemented in the city plan.
    - ii. Suggestion- Petition the city council to increase the priority for the hawk signal. We try to send the message of how vital this is for safety.
  - 6) Concerns about Anthem Park Blvd sidewalks being incomplete.
    - i. Action Item- Julie will reach out to Herriman City Council.
    - ii. MOTION- Julie motions to approve the SNAP plan. Liz seconded the motion. Motion carried unanimously.

#### 5. Programs Update

- I. Intermural sport program after school- Fall there was a volleyball group. Floor Hockey is going on for Spring. They will rotate different sports. The kids are

having lots of fun. They rotate through different teams. The PE coach is supervising. Part of the Tues/ Thurs after school time. Plans to expand this program.

- II. Announcements- We are doing video announcements. The students are really liking it. The kids are gaining confidence. The kids are paying attention to them better on the video. Kids are more engaged. The announcements were recorded and teachers could show it later. When a sub is in a class, they can go to the class next door to see the announcement.
  - III. OverDrive- A neat opportunity is OverDrive through the library. The students can download and access ebooks and audiobooks. There are no fines. 7<sup>th</sup>-12<sup>th</sup> grade.
    - a. Question- How many can you check out?
    - b. Answer- Not sure of the limit. There are lots of new options because of a shared OverDrive library among schools. We are purchasing books to go on the OverDrive to add to our school collection. It's a shared district library. It's available for all students.
  - IV. Television- TV installed down in the cafeteria. Worked with Herriman High to get high school information to our CMMS students. We are excited to work with HHS to help fund the TV. We now have the TV announcements. Appreciate the high school to work with us on this. It's a PPT video program. The HHS brings us new information to share. Basic calendar items are on there now. Advertisements about extracurricular activities. Help the 9<sup>th</sup> graders feel more connected to the school.
    - a. Suggestion- College and career videos to be added as well. The council liked the idea to add that information.
    - b. Suggestion- Adding pictures of student to the TV as well.
    - c. Suggestion- SBO's survival guide. Asking them to do a video presentation. Yearbook pictures would be an easy way to get that information.
    - d. Question- Do the SBO's do a training for the officers to work together. It is difficult because of scheduling.
6. Parking Lot/ Transportation- Concern- The biggest parking lot feeds out the same exit as the buses. From the district stand point it is a bus zone. The busses are on a strict schedule. We are looking at fixing the issues. Timing is critical. Pedestrians are also a concern. We are setting up cones to try to direct traffic.
  - a. Suggestion- Widen the north exit and have a right turn and left turn exits. Try to get the right turn funneling out faster.
  - b. Question- Can we explore a no parking zone?
  - c. Answer- We would have to check-in with the city.
7. Counseling Center Updates-
- I. Parent University- Next week during student led conferences. During the 20 minute drop-in time.
  - II. Cone Meeting scheduled to help with high school transition.
  - III. STEM initiative for girls- The Counseling Center took a field trip to Adobe and IMFlash.

- IV. Question- What about opportunities for our boys?
  - V. 9<sup>th</sup> Grade PCCRS
  - VI. Suggestion- Spend time on training parents about arena scheduling.
  - VII. Comment- Transition is very key. Thanks for the efforts to help transition happen from elementary and to high school.
- 
- 8. Multi-School Lockdown-
    - I. Yes, it is happening. It will include Herriman High, Athlos, and CMMS. We will report results afterwards.
  - 9. Other... \* Next meeting is March 29, 2017 at 6:30 pm
    - I. Please review the minutes.

MOTION: Move to adjourn- Second, "I". ;)

Post-meeting follow-up by Julie Williams:

- i. Coralee Moser from Herriman City Council responded:  
Here's the update on the proposed Hawk Sign at CMMS. The project was already approved in concept but not funded until a larger budget amendment was on the agenda. That budget amendment happens to be this Wednesday night for Herriman City Council. The signal will be installed no later than just before the next school year, but Herriman City is working with the installers, the county, to expedite it.
