

The Colt Connection

Volume 6, Issue 7

Hello Copper Mountain Parents,

As the year is winding down and as we are diving into our end-of-year testing, I just wanted to say thank you! Thank you for sending your students to Copper Mountain Middle this year. We knew it was going to be a year "full of opportunities" with student enrollment well over capacity and more students than we've ever had before. However, students, teachers, and parents have risen to the challenge and helped the year go smoothly and successfully. As an administration, we sincerely appreciate how amazing our students have been this year! Thank you for supporting us and helping this year to be a success.

Next year will be a year of changes for both students heading to the new middle school and for those staying here at Copper Mountain. We are really excited for those changes and look forward to continued progress for all students.

Good luck to students on the RISE and ASPIRE tests and here's to a fantastic month of May as we finish out the year!

Mr. Cody Curtis
Principal
Copper Mountain Middle

Mrs. Savage's TA class won the shoe drive competition. CMMS contributed 2579 pairs to FHMS's 1596.

Upcoming Events

April 30 – May 10

May 28

Musical Theatre, 7:00 p.m.

May 30

Lagoon Day – 9th graders
Last day of school for 7th graders

May 31

Last day of school

Office Closure

Jordan School District will be modifying our Main Entrance and Main Office to insure better security for our students at Copper Mountain Middle School.

We will be open for business throughout the summer. Our summer office hours will be 8:00 a.m. to 3:00 p.m. You can access the school by the doors next to the Counseling Center. Have a fun and safe summer.

Counselors' Corner

Golden Gate Initiative

Last Tuesday, the Golden Gate Initiative student leaders participated in a service project at Bastian Elementary. The leaders were divided into three groups and each group taught a 30-minute lesson on kindness to the kindergarten classes. These lessons included teaching students about celebrating diversity, filling their "bucket" while helping to fill other people's buckets by doing kind things for one another, and teaching students how much better it is to be nice instead of mean. Our student leaders did a fantastic job! They had a great time and the kindergarten students loved the lessons. The kindergarten teachers were very impressed and they want our student leaders to come again next year! Great job GGI Student Leaders!

Golden Gate Student Leaders Needed for next year!

We are currently accepting applications for Golden Gate Initiative student leaders for next year. Applications are available in the main office and are due May 1. Student leaders will have opportunities throughout the school year to serve their fellow students by helping new students find their classes, sitting with new students or students who are alone at lunch, and participating in a variety of service projects throughout the year. This year students participated in Operation Gratitude where students wrote thank you letters to servicemen and women and they helped organize activities for World Kindness Day, and Random Acts of Kindness week. Students also participated in the kickoff assembly at the beginning of the year. In the summer, our 9th grade student leaders will join us for a day of leadership training from Golden Gate Movement. Student leaders will be assigned to their own TA class with one of our Golden Gate advisors where they will continue to receive leadership training and provide planning time for school events and service projects.

Taco Cart Activity

All Spanish students will be participating in the annual Taco Cart Activity on Wednesday, May 15th. Students will get the opportunity to speak Spanish while ordering their tacos from an authentic Mexican taco cart. This is an activity students and teachers anticipate all year. We're looking forward to lots of food, fun, and speaking Spanish!

9th Grade Culture Fair

We are having our 9th grade Culture Fair Wed. May 22nd from 4:30-6pm. All 9th graders will be attending in order to present information about the countries they have been researching about throughout the year. Parents, families, and younger students are invited to attend.

Dance Dates

May 21, 7:00 p.m.

Advanced Dance Company performs at the Rose Wagner Performing Arts Center for the Heritage Project. Tickets are free!

May 22

Dance Assemblies (1st-3rd periods)

May 23, 7:00 p.m.
