#### Reading: (45201)

Students below grade level in reading will be required to take a semester long reading class. Student elective credit will be reduced to 1.5 credits.

#### Parents and Students:

Please choose your classes wisely. Even though we allow changes to elective courses at the start of each semester, there is no guarantee that there will be space available if you choose to add a class later. There is a greater chance of getting into the class that meets your educational plan if you make it a request now.
