How to be Successful in Middle School

Regular Attendance

Students who miss 2 or fewer days each month are more successful in middle school and more likely to graduate high school.

FLEX time

Students can sign up to work with a teacher during FLEX time if they need extra help in a subject.

Skyward

Students and parents can check grades on Skyward. See what assignments are missing and if there are assessment grades to make up. You have a lot of control over your grade.

ParentSquare

Use ParentSquare to communicate with teachers, counselors, and administrators. We are here to help!

Want a locker?

7th Graders will be automatically assigned a locker.

8th and 9th Graders can request a locker in the attendance office.

Attendance Facts

- During the 24-25 School Year more than 1 in 4 CMMS students missed a critical number of school days.
- Of students with 80% attendance, only 29% graduate high school.

Make it a great year!
